Sweet Cider. The Overcoat Proposition

About eight out of ten men wear the three-quarter length Overcoat. They prefer it, as the style changes but little from season to season, and it looks as well on the tall man or the short man as on the normal figure. It's an ideal Coat. The cut of this Coat this season is a trifle longer E. H. KENNEDY, Chelsea, Vt. than usual and more form fitting. The collar and lapels are wider and longer. Kerseys in black and Oxford mixtures are the favorite fabrics. We want men who enjoy a sensible Overcoat to see these three-quarter length beauties. Silk lined, if you prefer. Prices, \$10.00, 12.00, 15.00, to 25.00. We would like to meet the man who is looking about for the best Overcoat his money can buy.
